Commencement Speaker
Jeff Medders

Jeff Medders grew up on a ranch in southeastern Oklahoma, where his passion for the western lifestyle and storytelling took root early. By his junior year of high school, he had already set his course—to become a sportscaster—and he has pursued that goal with unwavering focus ever since.

Originally planning to attend Oklahoma State University, Medders instead chose Northern Oklahoma College as a start to his college career after recognizing the opportunity to gain hands-on experience through its student-run radio station. That decision proved pivotal, launching a career that began with local sportscasting roles in Midland-Odessa, Texas, and Tulsa, Oklahoma.

In 1988, Medders' career took a defining turn when he began freelancing for the then-fledgling Winner Communications. Over the next 15 years, he became a familiar face across major networks, hosting programming for ESPN, ABC, CBS, CBS Sports Network, Animal Planet, and more.

In 1991, Medders became the face of ProRodeo—a role he has carried for more than three decades. His connection to the sport deepened in 2012 when his company, Geronimo Productions, took on a major role in producing television coverage for the Professional Rodeo Cowboys Association (PRCA). Another pivotal chapter came in 2020, when Rural Media Group acquired the PRCA's television rights. As President and General Manager of The Cowboy Channel, Medders helped transform the visibility of ProRodeo, expanding its reach to more than 70 million homes during a year defined by the challenges of COVID-19.

Today, Medders remains one of the premier television hosts in the western sports world, known for his versatility and authenticity—particularly in programming that centers around the horse and the western way of life. He is currently producing 10 Nights in Vegas, a series he created with Taylor Sheridan.

Medders' contributions to the industry have earned him induction into the National Cowboy & Western Heritage Museum's Hall of Fame, the Texas Rodeo Cowboy Hall of Fame, and the Oklahoma State University Arts & Sciences Hall of Fame. Medders will be inducted to the Pro Rodeo Hall of Fame in July. He is also recognized as a Distinguished Alumnus of Northern Oklahoma College.

HISTORICAL ACADEMIC REGALIA OVERVIEW

The origins of academic dress date back to the 12th and 13th centuries when universities were taking form. The ordinary dress of the scholar, whether student or teacher, was the dress of a cleric. In England in the second half of the 14th century, the statuses of certain colleges forbade “excess in apparel” and prescribed the wearing of a long gown. In the days of Henry VIII of England, Oxford and Cambridge first began prescribing a definite academic dress and made it a matter of university control even to the extent of its minor details.

The assignment of colors to signify certain faculties was to be a much later development and one which was to be standardized only in the United States in the late 19th century.

The gowns for the associate’s, bachelor’s or master’s degrees are untrimmed. For the doctor’s degree, the gown is faced down the front with black velvet; three bars of velvet are used across the sleeves. These facings and crossbars may be of velvet of the color distinctive of the disciplines to which the degree pertains.

For all academic purposes, including trimmings of doctors’ gowns, edging of hoods and tassels of caps, the colors associated with the different disciplines are as follows:

Agriculture -----Maize	Music ----- Pink
Arts, Letters, Humanities ----- White	Nursing ----- Apricot
Commerce, Accounting, Business ----- Drab	Oratory (Speech) ----- Silver Gray
Dentistry ----- Lilac	Pharmacy ----- Olive Green
Economics ----- Copper	Philosophy ----- Dark Blue
Education ----- Light Blue	Physical Education ----- Sage Green
Engineering ----- Orange	Public Administration, including Foreign Service ----- Peacock Blue
Fine Arts, including Architecture ----- Brown	Public Health ----- Salmon Pink
Forestry ----- Russet	Science ----- Golden Yellow
Journalism ----- Crimson	Social Work ----- Citron
Law ----- Purple	Theology ----- Scarlet
Library Services ----- Lemon	Veterinary Science ----- Gray
Medicine ----- Green	

The hoods are lined with the official color or colors of the college or university conferring the degree; more than one color is shown by division of the field color in a variety of ways.
