2025 ANNUAL REPORT

INVESTING IN THE FUTURE

Dear Alumni, Friends and Supporters,

It is an exciting time for Northern Oklahoma College and for the NOC Foundation and I am honored to serve in my dual role as NOC Vice President for Development and Community Relations and Foundation Executive Director. As NOC approaches a historic milestone—celebrating its 125th anniversary in 2026—the college remains firmly grounded in the mission that has guided it for more than a century. That mission continues to shape not only the institution’s future, but the future of the communities it serves.

As Executive Director, my goal is to help create an environment where students can be successful and complete a college degree. Your generosity helps ensure that the nearly 3,100 students NOC serves every year, have access to resources and support they need to be successful learners who go on to be productive earners in our communities.

This is a pivotal moment for our Foundation as we continue to grow, innovate and champion transformational giving. We were blessed to receive a \$17 million unrestricted gift from philanthropist MacKenzie Scott in November, the single largest contribution in the College’s history. This gift arrived at an already exciting time as we prepare to celebrate our milestone anniversary as well as plan for the future of the Foundation. We kicked off our new year with a Strategic Planning Retreat in January 2026, which you can read about in our report.

This gift does not negate the need for continued fundraising for the College to support existing scholarships and programs. Each and every donation can make a lasting impact--Our College’s tagline is “Life Changing” and all gifts, no matter the size, are truly that for our students and the communities we serve.

Thank you for your continued support and generosity. Together, we can help NOC students begin their path toward success with every advantage possible. I look forward to all we will accomplish – together.

Sincerely,

A handwritten signature in black ink that reads "Sheri Snyder".

Sheri Snyder

NOC Vice President for Development and Community Relations
NOCF Executive Director

NOC STRATEGIC PLANNING

Members of the NOC Foundation Board of Trustees, NOC Board of Regents and NOC Executive Council Team participated in a day-long NOCF Strategic Planning Retreat on January 28, 2026 led by facilitator Lisa White, Autry Technology Center Workforce and Economic Development Specialist. Special notes of appreciation to Jason Grace and Lee Evans/Evans and Associates for hosting us at their scenic Big Fork Ranch Retreat Center and to Brad Purdy/First National Bank for providing the continental breakfast catered by The Baker's Table and lunch catered by Stagecoach Catering & BBQ.
