

This degree is offered on NOC Enid and NOC Tonkawa campuses.

Program Requirements 61 Total Credit Hours							
General Education Courses				37 Total Credit Hours	Program Requirement Courses	13 hours	
English Composition Courses					* MATH 2144	Calculus I	4 hours
ENGL	1113	English Composition I	3 hours		* DATA 1113	Intro To Data Analytics	3 hours
ENGL	1213	English Composition II	3 hours		(6) hours of programming language chosen from the following or other pre-approved substitutions:		6 hours
History & Government Courses					CMSC 1013 Visual Basic, CMSC 2203 Python, CMSC 2303 Java, CMSC 2313 Programming with C++		
HIST	1483	American History to 1877	3 hours				
or HIST	1493	American History Since 1877					
POLI	1113	American Government	3 hours				
Humanities Courses							
PHIL	2213	Ethics	3 hours				
or PHIL	2223	Business Ethics			Recommended Program Elective Courses 10 hours		
One course to be chosen from those listed with the International Dimension.			3 hours		ACCT 2103	Accounting I - Financial	3 hours
				or	ACCT 2203	Accounting II - Managerial	
Mathematics Courses					CMSC 2123	Business Tech & Application	3 hours
MATH	1513	Algebra for STEM	3 hours		MATH 2023	Elementary Statistics	3 hours
or MATH	1613	Plane Trigonometry			PRDV 2321	Professional Development	1 hour
(Note: Plane Trigonometry is strongly recommended because it must be taken as a pre-requisite before taking Calculus I)							
Science Courses							
Two Sciences with labs			8 hours				
Computer Science Courses							
BADM	1113	Digital/Financial Literacy	3 hours				
or Other approved computer course							
Orientation Course							
ORNT	1101	Freshman Orientation	1 hour				
*General Education Elective Courses			4 hours				
Taking math class from recommended program electives can reduce hours here to graduate with 61 credits, or gen ed can be selected from courses in: Language Arts, Natural Sciences, Foreign Languages, Fine Arts, Humanities, Mathematics, Behavioral Science, or Social Sciences.				*These program courses are typically offered only once a year. See course descriptions for fall or spring designations and plan accordingly.			

The Associate in Science degree in Computer Science is designed to provide the basic requirements for the first two years of the bachelor's degree in the area of computer science or information systems. The suggested curriculum is outlined to the left. Alternate courses and electives should be selected carefully only after the student and the major faculty academic advisor have consulted the catalog of the selected transfer college.

The Business Division and this degree program are accredited by the Accreditation Council of Business Schools and Programs (ACBSP).

Outstanding Business students are invited to join Kappa Beta Delta, the business honor society recognized by ACBSP.

Career Opportunities: Programmer, Systems Analyst

This suggested curriculum includes degree requirements and courses that are usually completed in the first two years of a four-year curriculum. Consult with the university or college of your choice and its catalog curriculum as you make plans on where to transfer. Be careful to select the courses that will meet all requirements for both the Associate and Baccalaureate degree programs.

Year One

Fall Semester			Spring Semester		
ENGL	1113	English Composition I	ENGL	1213	English Composition II
MATH	1613	Plane Trigonometry	*MATH	2144	Calculus I
ORNT	1101	Freshman Orientation		3 hours	Computer Programming Language
POLI	1113	American Government		4 hours	Science Elective
BADM	1113	Digital/Financial Literacy			
	3 hours	General Ed/Program Elective			
	(may be used for MATH 1513 if needed for placement)				
Total: 16 credit hours			Total 14 credit hours		

Year Two

	4 hours	Science Elective	HIST	1483	American History to 1877
			or		
			HIST	1493	American History Since 1877
				3 hours	International Humanities Elective
	3 hours	Computer Programming Language			
PHIL	2213	Ethics		3 hours	Program/Gen Ed Elective
or					
PHIL	2223	Business Ethics			
Total 17 credit hours			Total 14 credit hours		

*These program courses are typically offered only once a year. See course descriptions for fall or spring designations and plan accordingly.

NOC evaluates students for placement into supplemental/college-level courses or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined by A.C.T. test scores, corresponding A.C.T. challenge tests, holistic placement, or other college approved placement tests. These tests are administered in the Testing Center at NOC. Based upon the scores, students may be required to take one or more supplemental courses for English, Math, Social Science, or Nursing. See the NOC testing web page by clicking on the following link: <http://www.noc.edu/act> for placement guidelines.
