Life changing.

An Invitation from President Diana Morris

Dear Friend of Northern,

This year, Northern Oklahoma College celebrates a milestone 125 years of serving students and communities across our state — and none of it would have been possible without partners like you. For those of you who have given to this fundraising campaign in the past, thank you for the generosity and vision you've shown as a Presidential Partner, and for considering renewing that support during this special anniversary year. If you're receiving this letter for the first time, or if you haven't given to Presidential Partners recently, I sincerely hope you'll consider doing so this time around.

For 125 years, NOC has taken pride in offering the place, price, and programming to efficiently and effectively serve a wide range of students. Every time I visit our locations in Tonkawa, Enid, Stillwater, and the University Center in Ponca City, I'm reminded of the incredible talent, dedication, and passion of our students and "staculty" (staff + faculty). Through the Presidential Partners Program, your contributions fuel innovative activities and professional growth opportunities our students and staculty likely would not have access to otherwise.

This brochure celebrates just a few of the opportunities made possible by donors like you over the past couple of years. As we mark 125 years as Oklahoma's first public community college, I encourage you to explore our alumni stories on the NOC website. You'll see, firsthand, the real and lasting impact your generosity has had across generations of Northern students.

On behalf of the NOC Foundation, our students, and our staculty — thank you. Your continued partnership will keep Northern's Life Changing mission alive for the next 125 years and beyond.

With gratitude and pride,

Diana Morris
